Mr. J.B. Greer

Dear Mr. Greer:

I had hoped to write you before now, but I have been waiting to hear from the man in Savannah, about the park to train in. I have been assured the I can have the park we wanted to play any scheduled games, but that same park is not available for training. There is a gentlemen in Savannah who is taking care of the training spot for me. I had expected to hear from him by this time. I am writing him now and will let you know as soon as I hear from him.

Very Truly Yours
